Thank you for joining us!

CHILDREN AT RISK is a non-partisan research and advocacy nonprofit dedicated to understanding and addressing the root causes of child poverty and inequality. Their mission is to serve as a catalyst for change to improve children's quality of life through strategic research, public policy analysis, education, collaboration, and advocacy.

Family Service empowers individuals and families to transform their lives and strengthen our communities. Their wraparound services address multiple areas of people's lives from workforce development to early childhood to mental wellbeing and more. Their mission is brought forth by addressing the social determinants of health through a trauma-informed care lens.
