6,706 children (ages 0-5) with low-income, working parents lack access to quality child care (TRS 3 & 4) in Senate District #1

Senate District #1

Sen. Bryan Hughes

EARLY CHILDHOOD EDUCATION

Texas's economic success depends on a stable workforce today and building the brains of children for a prepared workforce tomorrow. **Quality early childhood education** can improve both outcomes, yet Texas is currently lacking in access and affordability, especially for low-income families. In **Senate District #1**, **27%** children are living in poverty and **52%** are living in low-income families. We all must act to improve access to quality early childhood education.

READ OUR RECOMMENDATIONS

CHILDREN AT RISK has a robust legislative agenda to support and improve access to quality child care and early childhood education.

<https://childrenatrisk.org/public-policy/>

Note: Texas Workforce Commission data on child care providers and availability is from Sept. 2019. Public Pre-K data reflects 2018-19. Pre-K waivers data was accessed on June 2, 2020.

LOW-INCOME CHILDREN HAVE LIMITED ACCESS TO QUALITY EARLY LEARNING AND CARE

15,994 children (ages 0-5) with low-income, working parents lack access to quality child care (TRS 3 & 4) in Senate District #13

Senate District #13

Sen. Borris L. Miles

EARLY CHILDHOOD EDUCATION

Texas's economic success depends on a stable workforce today and building the brains of children for a prepared workforce tomorrow. **Quality early childhood education** can improve both outcomes, yet Texas is currently lacking in access and affordability, especially for low-income families. In **Senate District #13**, **39%** of children are living in poverty and **66%** are living in low-income families. We all must act to improve access to quality early childhood education.

READ OUR RECOMMENDATIONS

CHILDREN AT RISK has a robust legislative agenda to support and improve access to quality child care and early childhood education.

<https://childrenatrisk.org/public-policy/>

Note: Texas Workforce Commission data on child care providers and availability is from Sept. 2019. Public Pre-K data reflects 2018-19. Pre-K waivers data was accessed on June 2, 2020.

LOW-INCOME CHILDREN HAVE LIMITED ACCESS TO QUALITY EARLY LEARNING AND CARE

10,356 children (ages 0-5) with low-income, working parents lack access to quality child care (TRS 3 & 4) in Senate District #24

Senate District #24

Sen. Dawn Buckingham

EARLY CHILDHOOD EDUCATION

Texas's economic success depends on a stable workforce today and building the brains of children for a prepared workforce tomorrow. **Quality early childhood education** can improve both outcomes, yet Texas is currently lacking in access and affordability, especially for low-income families. In **Senate District #24**, **20%** children are living in poverty and **43%** are living in low-income families. We all must act to improve access to quality early childhood education.

READ OUR RECOMMENDATIONS

CHILDREN AT RISK has a robust legislative agenda to support and improve access to quality child care and early childhood education.

<https://childrenatrisk.org/public-policy/>

Note: Texas Workforce Commission data on child care providers and availability is from Sept. 2019. Public Pre-K data reflects 2018-19. Pre-K waivers data was accessed on June 2, 2020.
