

Summer 2021 Development Internship (Virtual) CHILDREN AT RISK

CHILDREN AT RISK is offering an unpaid and extraordinary learning opportunity for fund development focused individuals. The Development Interns will have the opportunity to learn from an experienced and driven team of development professionals and work on the essentials of non-profit development work. This is a unique position that will enable the selected candidates to understand the day-to-day operations of a successful, macro-level non-profit organization. This position will focus on supporting individual giving fundraising, special events planning, grant research and development, and management of our donor database, DonorPerfect.

CHILDREN AT RISK serves as a catalyst for change to improve the quality of life for children through strategic research, public policy analysis, education, collaboration and advocacy. Our issue areas include education, parenting, human trafficking, and health & nutrition.

Key responsibilities include:

- Assist the development team in special event planning and resource development for fall 2021 and spring 2022 events, including logistics planning, sponsorship solicitations and auction item acquisitions.
- Work with DonorPerfect database to maintain and update donor records.
- Communicate with constituents about organizational activities and events across multiple media.
- Conduct research on current and potential donors, and third-party partnership opportunities.
- Conduct prospect research on Foundation and Corporate grant opportunities.

Preferred Qualifications:

- Comfortable with databases, running reports, etc. However, knowledge of DonorPerfect is not necessary.
- Ability to work independently as a self-starter, as well as a team member.
- A strong desire to learn about fundraising, special events, and grant writing.
- Attention to detail and a commitment to maintaining accurate, confidential donor records.
- Strong written and verbal communication skills for both internal and external audiences.
- Provide personal laptop with Microsoft processing capabilities.

This will be a virtual internship – candidates need not be restricted to a specific geographic region. The position will be adapted to the selected candidate's interests, self-identified strengths and availability. Although this internship is **unpaid**, benefits include a unique opportunity to learn about all forms of fund development, along with additional soft skills training and enrichment, and a recognition for tangible products that will benefit the organization beyond the summer term.

Application Instructions: Our positions are competitive and fill quickly. Interested candidates should submit a letter of interest, resume, and three references to Jennifer Sudkamp at jsudkamp@childrenatrisk.org. The deadline to submit applications for Summer 2021 is **April 1st**. Applications will be reviewed on a rolling basis.
