

EXPLORE AND LEARN WITH US

MEXICO CITY

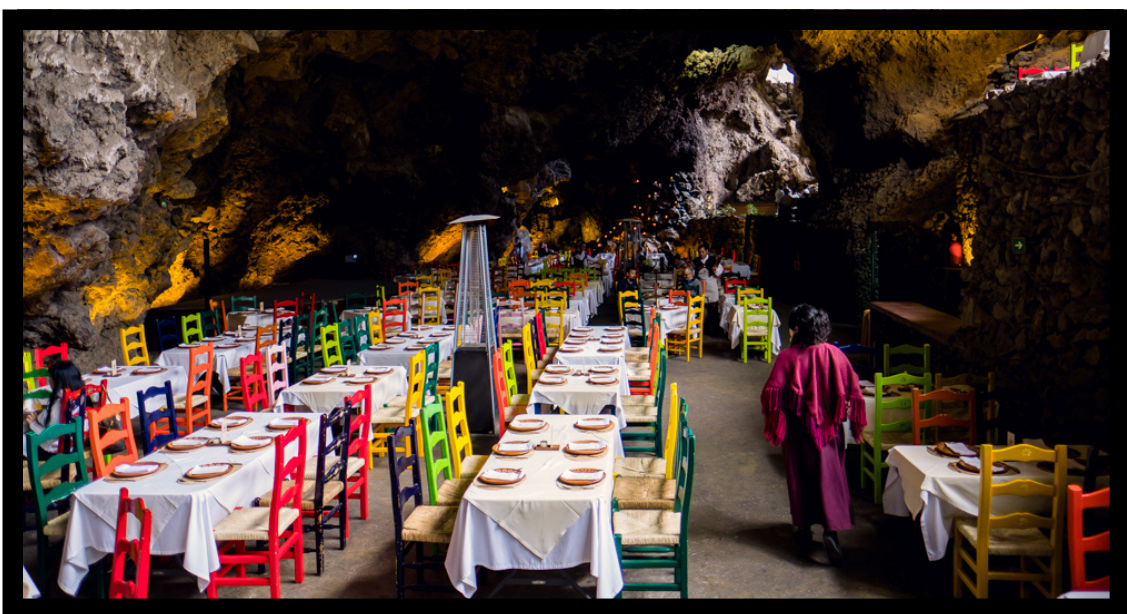

MAY 11-15, 2022!

The challenges facing our global and domestic communities are not bound by borders. We encourage you to join us in Mexico City to learn, collaborate, and find commonality in shared initiatives.

Join CHILDREN AT RISK as we lead an educational and cultural tour, including a visit to organizations working on children's issues. We will focus on areas of Human Trafficking and Immigration.

In the evenings, we will enjoy culinary experiences at top restaurants and will tour the architectural and cultural sites of one of the world's most vibrant cities.

For the past 33 years, C@R has been the leader in heading conversations about difficult issues affecting our Texan children. Our plan is, that with this trip, we will gain a deeper understanding as we work with our partners on a collective agenda for the 88th Legislative Session.

The cost is \$1,600 per person and covers hotel, ground transportation, breakfast and dinner plus visits to museums and other cultural sites. We will be staying at the beautiful Hyatt Regency Hotel located in the historic Polanco neighborhood. Airfare is not included. The plan is for us to arrive early afternoon on Wednesday, May 11 so we can dine together and review the itinerary for our visit.

Your support will allow CHILDREN AT RISK to advocate and drive change for children
