# Anti-Human Trafficking Summit: Information and Communication Technology (ICT) Solutions

March 16, 2023 | 10AM CT

Agenda

[Register Here](#)

---

## 10:00 – 10:05AM — Welcome Remarks

- [Caroline Roberts](#) – Senior Staff Attorney, CHILDREN AT RISK

## 10:06 – 10:46AM — **Innovative Tech Solutions Within State Agencies**

Agency and partner experts will speak on how our state agencies are using technology in creative ways to identify populations in need and target those who would victimize our most vulnerable populations.

- [Jason Lundquist](#) – SAFVIC Systems Instructor, SAFVIC Systems
- [Autumn Kessler](#) – SAFVIC Systems Instructor, SAFVIC Systems
- [Joseph Scaramucci](#) – Detective, Human Trafficking, McLennan County Sherriff's Office
- [John Nehme](#) – President & CEO, Allies Against Slavery
- [Rochelle Keyhan](#) – CEO, Collective Liberty
  - Moderated by [Veronica Lowenberg](#) – CSTT, West Texas Regional Administrator, Office of Texas Governor Greg Abbott

## 10:47 – 11:27AM — **Using Technology to Connect Survivors to Resources**

Many survivors of human trafficking are in need of services. Industry and survivor experts will discuss how technology can be a critical tool in reaching out to survivors and successfully serving their needs.

- [Kari Meredith](#) – Co-Founder and Managing Partner, Ignite Synergy and Collaborative Partner, Global Tech Bridge Initiative (GTBI)
- [Hana Hassan](#) – CEO and Founder, Black Maple and Collaborative Partner, Global Tech Bridge Initiative (GTBI)
- [Toni McKinley, LPC](#) – Executive Director, Magdalene House of Austin
- [Laura Gedeon](#) – Outreach Coordinator, The Landing
  - Moderated by [Rhonda Kuykendall](#), Anti-Child Trafficking (ACT) Consultant, Texas CASA

## 11:28 – 11:58AM — **Keynote**

Dr. Lucia Summers and Alyssa Shallenberger will present their research, done in partnership with NEC Corporation, on signs of human trafficking present on commonly used “escort” sites. From this research, the team developed preliminary research on the creation of a registry that could allow law enforcement to assist with the identification of known indicators of human trafficking.

- Stephanie Yanta – Senior Account Manager, NEC National Security Systems (NSS)
- [Dr. Lucia Summers](#) – Associate Director, Center for Geospatial Intelligence and Investigation (GII), Texas State University
- [Alyssa Shallenberger](#) – Doctoral Research Assistant, Texas State University

11:58 – 12:00 PM — Closing Remarks

- [Caroline Roberts](#) – Senior Staff Attorney, CHILDREN AT RISK

Thank you to our partners!
